Overall Evaluation

	Strongly Disagree				Strongly Agree	Not applicable
The small group skills practice was a useful and interesting learning opportunity.	1	2	3	4	5	N/A
Having interprofessional learners made this a more valuable learning experience.	1	2	3	4	5	N/A
Thinking about error disclosure from a team perspective was helpful.	1	2	3	4	5	N/A
The faculty training materials were adequate and helpful.	1	2	3	4	5	N/A

Small Group Facilitation Evaluation

	Strongly Disagree				Strongly Agree	Not applicable
I was able to effectively work with my small group.	1	2	3	4	5	N/A
My co-faculty member and I functioned well together.	1	2	3	4	5	N/A
My co-faculty member offered a valuable and unique perspective from my own for the students' learning.	1	2	3	4	5	N/A

How was interaction of learners organized in your small group? Did that system work well?

Any suggestions for next year's small group sessions?
