

# STRENGTHENING LEARNING

## 8 QUESTIONS

### Ask the learner...

- ✓ Have you seen this experience before? How is it same? How is it different?
- ✓ Tell me about your patient... What additional information about the patient do you need?
- ✓ What is the priority- Which of your patients do you need to see first?
- ✓ What additional information about policies/procedures would you like to know?
- ✓ What skills do you need practice on?
- ✓ What is your next step, if your recommended intervention does not work?
- ✓ What went well? What would you like to improve?
- ✓ What, if anything, would you change about addressing a similar situation in the future?
